Rebellion is Coming
2 Thess 2

MAIN
IDEA

Glory is Coming...Stand Firm!

1. Stand firm in the gospel (v. 13-14)

The gospel tells us who we are in Christ. It is why we can stand firm, and will eventually obtain glory (entering into eternity with Jesus).

Glory is coming...Is your family standing in the gospel? Where is your security and assurance found?

The world is out for our children, so when they come to you and ask hard questions, will your response be the gospel? Do your kids know who they are in Christ?

2. Stand firm on tradition (v. 15)

Stand firm on divine tradition! The tradition of the Apostles' teachings, the scripture. Deuteronomy 6:6-9: the truths of scripture should be constantly and consistently passed down to the next generation

Dads, what traditions are you passing down? Will they be built on God's Word, or something else's?

3. Stand firm in God's power (vv. 16-7)

Prayer is dependance and prayer is powerful. Our God responds to us when we pray.

Dads, are you praying for your kids? When we pray with and for our kids, we show them that this is what life is all about.
